Race Work Commitment

Families must commit to working four (4) entire race days. Single-parent families may request a reduction to a minimum of (2) race days. The club has reputation of hosting high quality events, and raises most of its operating budget from race revenues; in fact, we could not continue to operate with out them. Our club is limited in numbers, and we all benefit from those of us who work races in excess of the minimum required. Please consider helping out during as many races as you can, and thank you, in advance, for your help.
